| Build a HEXAGON using:	Build a TRAPEZOID using:	Build a RHOMBUS using:
6 triangles	3 triangles	2 triangles

Build a HEXAGON using:	Build a HEXAGON using:	Build a HEXAGON using:
3 triangles 1 trapezoid	4 triangles 1 rhombus	1 triangle 1 rhombus 1 trapezoid
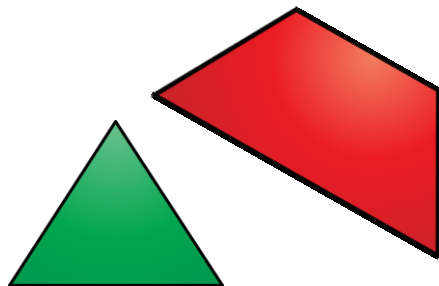

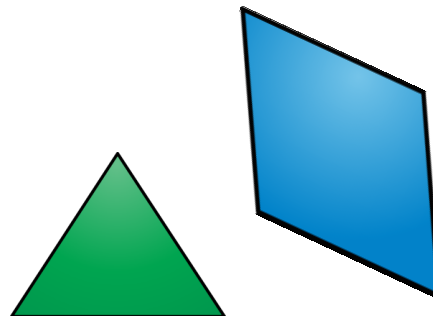

Build a TRAPEZOID using:

1 triangle

1 rhombus

Build a TRIANGLE using:

1 triangle

1 trapezoid

Build a HEXAGON using:

2 trapezoids

Build a TRIANGLE using:

3 triangles

1 hexagon

Build a TRIANGLE using:

7 triangles

3 hexagons
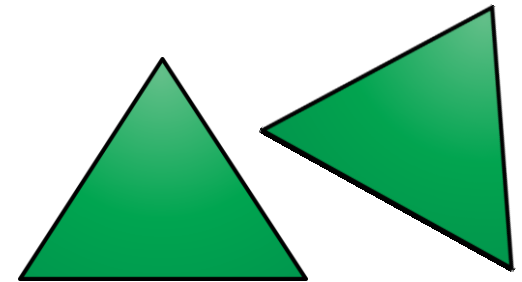

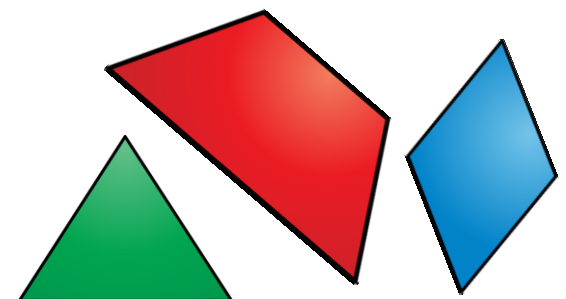

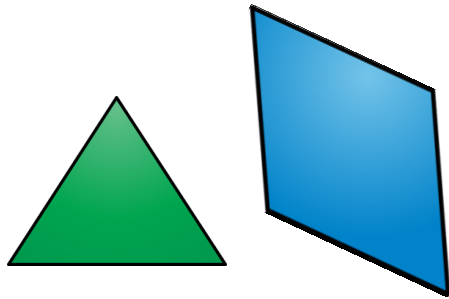

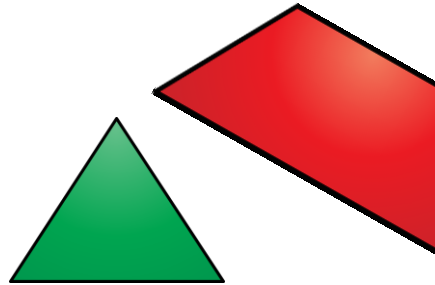

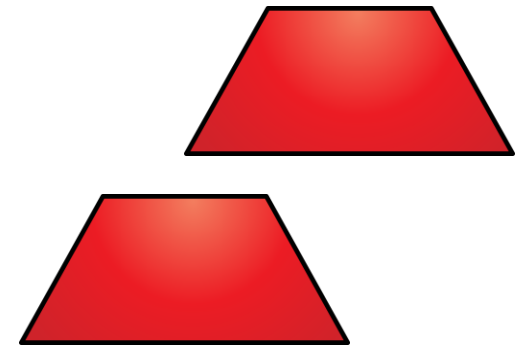

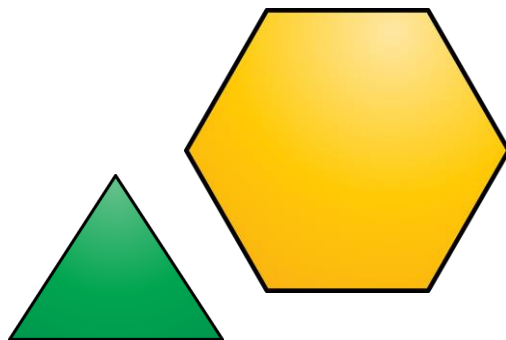

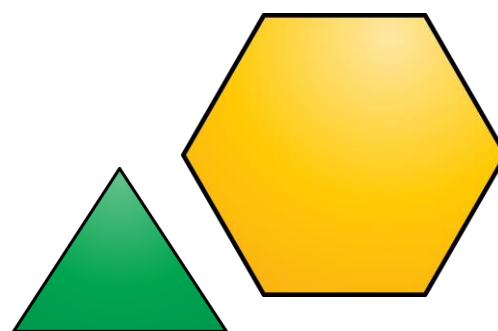

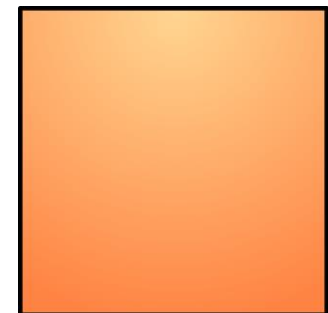

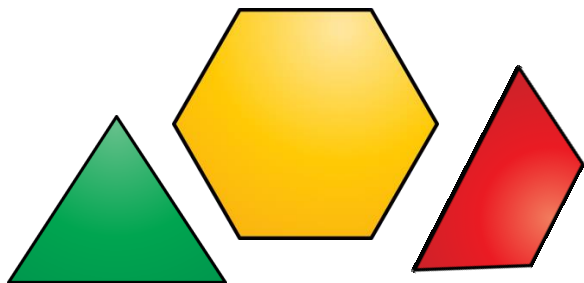

## Build a RECTANGLE using:

2 squares

Build a HEXAGON using:
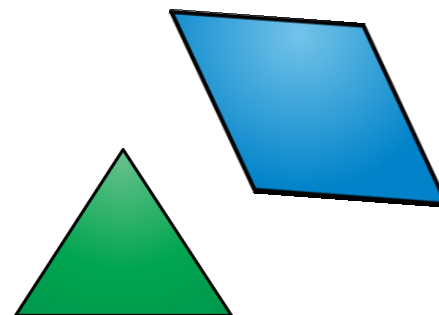

3 triangles
5 trapezoids
1 hexagon

Build a HEXAGON using:
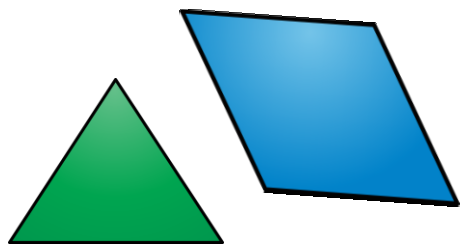

2 rhombuses
2 trapezoids
1 hexagon

## Build a HEXAGON using:

2 rhombuses
2 triangles

## Build a HEXAGON using:

1 rhombus
4 triangles

Build a RHOMBUS using:

4 rhombuses

Build a HEXAGON using:

6 trapezoids
1 hexagon

THANK YOU!

Thanks for downloading my composing 2D shapes center cards. If you are looking for more 2D/3D shape activities, check out my unit below:
